HEADQUARTERS.

COMMENTS OF THE PRESS ON JOHNSON'S SPEECH. VIRTUALLY AN IMPEACHMENT

OF GRANT. THE GRANT-LOUISIANA RESO-LUTION PASSED.

AN ADJOURNMEFT EXPECTED TO-DAY. .

SENATE ADJOURNED. NEW YORK, March 23-Noon-The Tribune says that Johnson's speech will hardly meet the inordinate expectation, as his argument in the Louisiana case compares unfavorably with others. Johnson's views on the third term and his reflections on Grant should and will attract attention. The Times says that the speech was

nominally on Grant's course regarding Louisiana but really on the course and achievements of Andrew Johnson with the same winding stream of disjointed boasting, with occasional shrewd and blunt points against his enemies.

The Herald thinks that the speech will make a profound impression by reason of its earnestness and courage. Virtually the speech is an impeachment of Gen. Grant. The World says that the speech will

THE SPIRITS OF DEVILTRY.

Burns by the Burns Club of Washton, D. C .- Col. A. M. Waddell.

Your President introduces me some-

what vaguely as one of the biographers

of Satau. I had supposed my humble article was long since forgotter. It is added a luster to Caledonia and made said in Scripture that the devil and all a new history for the lyric muse. May his works shall perish. I wonder that your enjoyment of this anniversary be all the works on the devil himself have | unalloyed by the presence of any other not perished. Bu really, he is not so than that of the blithe and bonnie black after all. He has many winning ways. He is as much entitled to a biographer as a witch to a cat. I can PARDEE REJECTED AND THE see that my friend, the President, takes a family and national pride in him. When the article referred to was printed, it was in the Knickerbocker Magazine, and intended to glorify "Old Knick" in literature How I omitted Burns' "Auld Hornie" or "Clooties" I can scarcely tell. I was quite young then, had not mixed much in society or politics; had not come to Congress, and, therefore, my knowlege of deviltry was limited. [Laughter. ] The longer I live the more I see of it-and perhaps the more we live the more we tolerate the evil genius. Indeed the Scotch devil, as organiz

ed by the genius of Barns, is a substa tute to his better qualities. It seem at first blush to be suggested by Mil ton's apostrophe to the Prince who le the embattied seraphims again-Heaven; but his is a better Satan that the warrior of Milton. He takes no delight in the equeeling sinner. Old "Clootie" has a nice send-off for his noted name. Burns makes him rage to be sure, like a roaring lion "tirling the kirks." He reproduces the witerness of the "lonely glen" and min ed castle amidst the windy water eights. He calls on the wartocks and igs of the kirk-yards, the wa er kel pies of the ford, and the spunkies of the moss as his associates, until h brings his Satan name pro tune into Paradise incoy, to give the infaworld a "shog," and then makes him play practical jokes on Job, until fairly boiled to pardon him by
